

Premium summary

OOM Temporary Residence Abroad Health Insurance

There are two regions:

World: you are insured anywhere in the world.

World excluding US: you are insured anywhere in the world, except the United States.

These per person premiums depend on:

- the age
- the chosen coverage (Light, Comfort of DeLuxe)
- the chosen region
- the chosen excess (250, 500 or 1,000 euros)

The excess applies per insured person per insured year. If the period insured is shorter than a year, then the excess applies for the period insured. This health insurance coverage is not subjected to insurance taxes.

If you take out this insurance alongside Dutch basic health insurance, you will receive 15% discount on the premium for as long as you are actually insured with the Dutch basic health insurance.

Premiums **per year** in euro (from 1 January 2024)
