

Coverage Summary

OOM Temporary Residence Abroad Insurance

Health Insurance

Corresponding policy conditions: ZKT2024

Costs arising from war and kindred risks

We will reimburse the costs that fall under the health insurance coverage (Light, Regular or Comfort), and under SOS insurance, even if these are incurred as a result of war and kindred risks. War and associated risks includes armed conflict, civil war, uprisings, domestic unrest, riots and mutiny. The costs of war and associated risks are insured on a mutual basis. This means that you will be reimbursed at cost price provided there are sufficient resources in the 'war and kindred risks fund'. If there are insufficient resources in the fund for a full payout, you will be reimbursed a percentage of your costs.

What does OOM Temporary Residence Abroad Insurance Coverage compensate?

All compensations apply per insured person, per insured year or per insured period if it is shorter than one year.

We will only reimburse the costs listed below if they are medically necessary.

The maximum that we reimburse is the amount that is approved by the official institutions in the country of origin where the medical treatment occurs. In the Netherlands, that institution is the NZa.

Cost price means that we fully reimburse the costs.

There is coverage for the additional insurance policies when this is stated on the policy sheet.

OOM Insurance has subcontracted our legal assistance service to ARAG. The company employs more than 450 legal experts and lawyers, who are able to resolve many cases without the need for legal proceedings.

Once court proceedings are necessary, there are two situations:

1. Representation by a lawyer is compulsory;
2. Representation by a lawyer is not compulsory, a legal expert/specialist is sufficient.

If a lawyer is compulsory

In some court proceedings it is compulsory to be represented by a lawyer, for example where there is more than €25,000 involved. In this case, you can either choose an ARAG lawyer, or an external lawyer. If you choose an external lawyer in consultation with ARAG, you will be reimbursed a maximum amount of €15,000. If you choose an ARAG lawyer, there is no maximum amount.

If a lawyer is not compulsory

In most court proceedings it is not necessary to be represented by a lawyer. For example cases under employment or leasing law that end up before the court. In these cases, you are now free to choose your own legal representative.

If you choose a legal expert from ARAG, you will be insured for all costs.

If you choose an external legal specialist, you will pay a contribution of €250 and the maximum reimbursement of costs is €6,000 per case. Once you have opted for an external legal expert, you can no longer choose an ARAG lawyer. An external legal specialist always will be commissioned by ARAG on your behalf.

Note:

- A case will be handled if the interest is at least €175.
- You will only receive legal assistance if you did not know you would have a dispute before you took out insurance.
